

# EXP 20 MANT | 26

SPECIALIZED TRADE FAIR  
FOR INDUSTRIAL AND  
MINING MAINTENANCE

**12 & 13**  
NOVEMBER

CENTRO DE  
EXPOSICIONES  
JOCKEY, LIMA - PERÚ

# EXP | 20 MANT | 26

ExpoMant is a specialized technology trade fair focused on Industrial and Mining Maintenance, held simultaneously with the 26th Peruvian Congress on Maintenance and Reliability Engineering and the 3rd International Mining Maintenance Congress. The event brings together suppliers from more than 10 countries, showcasing products, systems, services, and the latest advances in maintenance and reliability technologies, aligned with the principles of Industry 4.0.

**SHOWCASE  
YOUR PORTFOLIO**  
Present your innovative  
solutions to the national  
maintenance community.

**PROMOTION &  
POSITIONING**  
Increase your company's  
visibility and position  
your brand within your  
target audience.

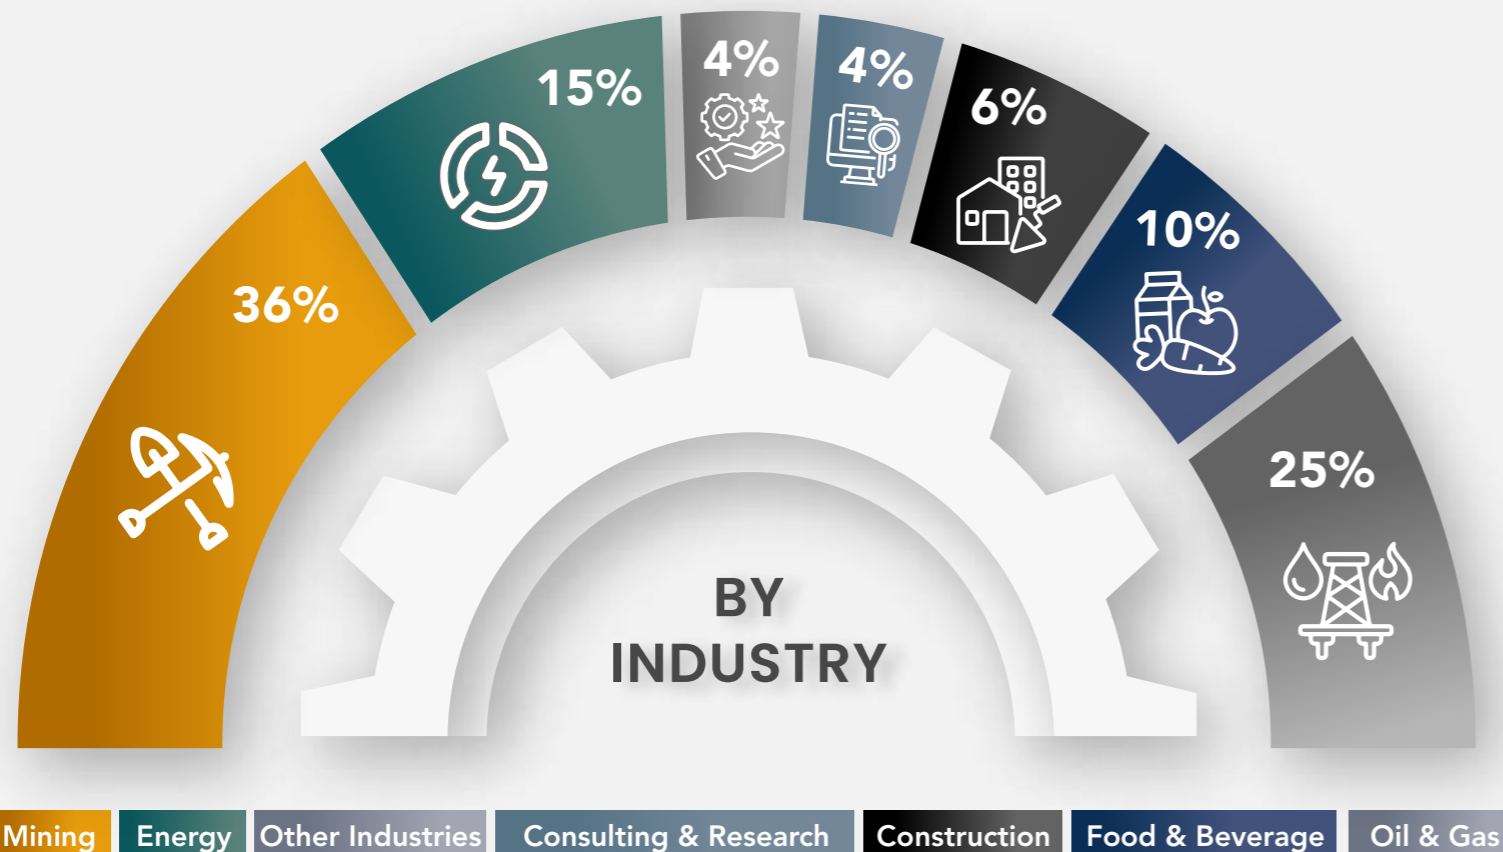

**POTENTIAL  
CLIENTS**  
Expand into new  
markets and generate  
high-value business  
opportunities.

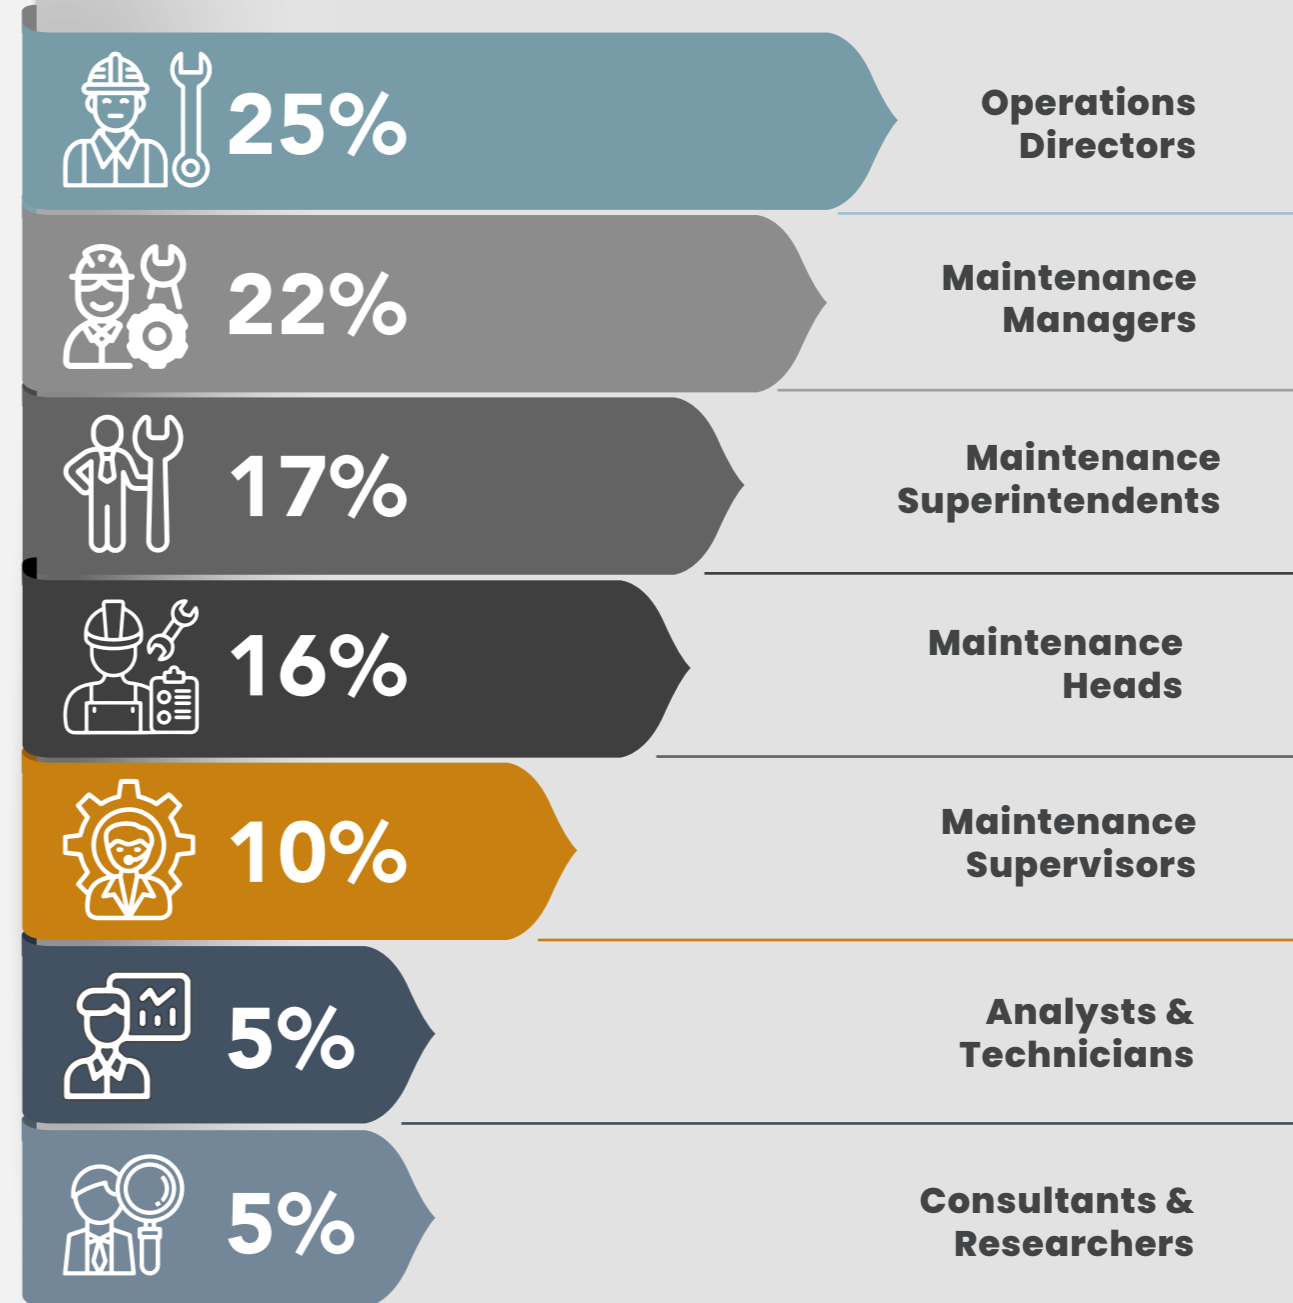

# Positions and Sectors

This trade fair brings together national and international suppliers of industrial maintenance solutions for mining, energy, oil & gas, who will engage with professionals attending the 26th Congress, holding roles in maintenance, plant operations, management, and operations, among others.
